**BULLETIN #3 2009**

Dear Collector,

Once again the year is getting away from me and with the three issues due out in August I thought the customers needed to be brought up to date.

As a result of this additional issue the next three issues are as follows:

4th August – Joint Territories of Australia Issue

18th August – Bush Birds of Norfolk Island; and

19th August – Legislative Assembly – 30 Years of Self-Government 1979 – 2009.

We can call this a special bulletin to advertise the release of the Bush birds and Legislative Assembly Issues.

Norfolk Island celebrates 30 years of self-government in August this year and a stamp has been designed to celebrate the fact.

It is with pleasure that I mention that Norfolk Island will be visited this month by Their Excellencies, Ms Quentin Bryce AC, Governor General of the Commonwealth of Australia, and Mr Michael Bryce, AM AE, for a few days as part of celebrations to mark the 30th Anniversary of internal self-government in Norfolk Island.

I will just mention that going live with our new website has taken longer than I would have liked. This is mainly caused through lack of time to be able to spend on this production. I ask that our computer savvy customers please be patient. We promise that the finished result will have been worth waiting for.

I can tell you that Norfolk Island is now in the middle of its winter and for some reason it seems to be a lot colder and darker earlier and longer than previous years.

During this winter we have received a lot of rain, strong winds (up to 50 knots) and fog. We could seriously be in competition with Victoria now...4 seasons in one day!

School holidays have been and gone and parents were blessed with a bit of sunshine and able to amuse the children with a few outdoor activities.

In the next bulletin I will put together events from months/weeks leading up to preparation and dispatch of bulletin No. 4.

Regards,

*Julie*
